Enrolments for 2018

If you have a child that will be attending or eligible to attend school in 2018, could you please make contact with us.

Principal's Message

Last Thursday, our school celebrated Education Week. This year's theme was **I Learn, We Learn**. Parents and carers were invited into our school and classrooms to observe lessons inside the classroom, view books and other class work. Thank you to the large number of parents for the positive feedback we received. We had numerous students with smiles from ear to ear after showcasing their work to their parents and families in their classrooms.

Our captains did a fantastic job running our very professional school assembly. I would like to acknowledge Georgie from Kindergarten for receiving a district award from our school Director, Troy Mott, for academic excellence. Connor from Year 6 also received an award for his outstanding sporting achievements this year. Our hall looked outstanding decorated with artworks completed in our term 2 art workshops run at the school as a part of our creative arts initiatives within our school this year.

We didn't get to have our outdoor picnic, but we thankfully have our green room to fall back on.

There is a lot to be proud of Moulamein Public School! This includes hard working and committed staff, well-mannered and resilient students who enjoy their learning journey at our school. Our students are kind and caring and encourage their peers throughout each and every day. They strive for success and are becoming more confident learners.

150th Anniversary Dress-Up for Students

As you are aware, our anniversary celebrations are approaching and we will be having an afternoon full of fun for our current students on the 18th of August from 11.30am. This is only two weeks away and I wanted to highlight the dress-up

component of this day. Time to visit second-hand shops! We are asking our students to dress-up for the day in colonial themed clothing. Students will be displaying their bush-dancing skills after an assembly and we will have some family fun games on the oval. Parents, grandparents, relatives and friends are invited to join in the festivities. We will also have a coffee van here that will provide light refreshments.

Office Hours

Our Office will be closed this week Monday-Wednesday, due to Colleen attending training at Deniliquin. Please ensure your children are aware of afternoon arrangements in the morning. We will check the phone messages throughout the day when there is time.

Moulamein Working Sheep Dog Trial Donation

We would like to thank the Moulamein Working Sheep Dog Trial Association for the kind donation of a specialised reading table which we use on a daily basis in our K/1 classroom. This is a treasured resource and we are very grateful for this donation. The students call our table the 'engine room' because this is where all the thinking takes place. Hope, Jazmyn and Georgie were more than happy to show our visitors how we use our reading table each day.

Mr Barry McKenzie & Jacquie Crawford – Moulamein Working Sheep Dog Trial Committee

150th Anniversary

Have you sent an RSVP for the event or dinner?

On Saturday the 19th of August we will finish our Anniversary celebration with a dinner at the Moulamein Community Hall, starting at 6.00pm. The cost will be \$20 per ticket for two-course meal. If you are interested in attending please let the school know by phoning the office. If you are aware of any visitors who will attend this event, please also let them know it is important that they contact the school book a ticket.
