NEW FAMILIES!

Principal's Message

Welcome to the 2018 school year!

Moulamein Public School students have had a fantastic start to the year! Students have settled into routines and classrooms easily. We have some great learning opportunities on the horizon and our staff are aiming to provide an array of learning opportunities throughout the term.

We welcome another family to our school and the community, welcome to the Mowbray family and Aleisha into Kindergarten.

Swimming Carnival

Our Small Schools Swimming Carnival will be held on the 23rd February at Moulamein. The District Carnival will be held in Swan Hill on Friday, 2nd March. Students who are turning 8 this year may attend and participate in events if they are able to swim 50 metres safely. We will need parent volunteers for the smooth running of the carnival. If you are able to assist on the day, please contact the school and let us know.

School Office Hours

The school office will be closed this week on Tuesday, Wednesday and Thursday.

Where possible, on an unmanned office day, parents are asked to notify the school of any variation to end of day routines via a written note to the class teacher in the morning. Telephone messages may not be received in time to deliver a message to a child prior to 3.00pm.

Wongi Messages

Wongi messages can be emailed directly to moulameinwongi@hotmail.com or dropped into the school during office hours on days when the office is manned.

P&C REMINDER

The Parents and Citizens Association is a vital supporting body of our school. Their aim is to

promote the interests of the school by bringing parents, citizens, pupils and teaching staff into close co-operation. They assist in providing equipment required by the school, subsidising excursions and school programs and providing financial assistance for staffing where needed. **Please consider coming along to their AGM on Tuesday 13th February (TONIGHT) commencing at 7pm** in the VC room adjacent to the office. They meet twice a term, Week 3 and Week 7, and would welcome any new members.

School Uniform

Students are expected to wear school uniform, including appropriate shoes for school, every day. Shoes and socks must be worn throughout the day.

- Please Note: Casual clothes items are not permitted.
- School hats must always be worn outside.

If you need assistance with purchasing uniforms, please contact the Principal.

After Hours Supervision

Once students leave our school at 3.00pm, they are under the supervision of parents and carers. This includes community library days and when they meet to play in the skate park or playground after school. Our school often receives feedback from community members and parents about behaviour that is inappropriate or unsafe in the afternoons and involve students who attend our school. This includes use of inappropriate language in the community and climbing on the toilet block roof. This is not the school's responsibility to sort out unruly behaviour, arguing and social issues that occurs off school grounds.

Unfortunately this does sometimes lead to in-school social issues. If your child is experiencing problems after school at the library, in the park, playgrounds or skate ramps then they need your supervision.

Welcome to our school Kindergarten 2018!

We always enjoy the fresh faces our Kindergarten enrolment brings to our school. All smiles and no tears in the morning! They have already settled into their classroom and made new friends.

Book Club
