1 December

School Assembly
12.30-1.00

Principal Message

Ukulele Festival

Students from Years 3-6 had the opportunity to go on an excursion to Deniliquin where they participated in the **Grand Uke Muster**. Mrs Fitzpatrick almost had a heart attack, thinking we were taking the students to the Ute Muster instead. Students were very excited to be part of the day and enjoyed the workshops. Thank you to South West Music for organising a very engaging event for our students.

Kindergarten Transition Days

We look forward to seeing our students for their final week on the 23rd November. We will be putting their work and photos in future editions of Wongi.

Swim School

Notes will be sent home this week for our swim school program. We were only going to run it in Week 9, but we have decided to make it a 10 day program. Please return the notes as soon as possible, once received.

School Uniform Orders

Parents wishing to order new uniform items for 2018 are asked to contact Belinda Gorey ASAP, to place an order.

School Assembly

The next school assembly will be held on Friday 1st December between 12.30-1.00pm. All families, friends and community members are welcome. All visitors, including siblings and other children to the school must stay in the seated area of the assembly, at the back of the hall. This is to ensure that our students are not disrupted and interrupted. We would appreciate your support in this matter.

Grand UKE Muster 2017

Stage 2 Excursion – Borambola Sport and Recreation Camp

Students in Years 3 and 4 stepped out of their comfort zone to participate in many challenging experiences over the course of their excursion. The main focus of the excursion was to provide a valuable learning experience in a safe and enjoyable environment; where students could take part in activities that are not necessarily available every day.

Some of the activities included archery, rock climbing, low-ropes courses, BMX riding, mini Olympic-style games, kayaking, raft building and more! All students participated excellently and showed determination and resilience. The camp facilities were fabulous, as were the staff.

Moulamein Public School students should be extremely proud of themselves for not only taking on new challenges, but for consistently upholding the school values of safety, respect and responsibility.
