Blue Earth Workshops

WELCOME BACK!

Term 4 is here and we have a great term ahead! Keep reading the WONGI to keep up to date with our events and schedules. Our new FACEBOOK page will be up and running by the end of the term and it will be a great way to receive information about our school. Notes will go home soon with more information on this to parents.

We also welcome some new enrolments Charlotte and Harper! A big welcome to our new students and their families into our community and hope you enjoy living in such a friendly and warm place.

Congratulations to Indiana Gray who participated in the National Polocrosse Championships in Perth at the end of last term and during the holidays. She was part of winning Victoria Sub Juniors U12 team and the entire school are very proud of her efforts and the efforts of her mum for taking the plunge to drive all the way to Western Australia! Way to go Indiana!

Our Beautiful Gardens

As you know spring is here! Our gardens are looking absolutely gorgeous, especially our refurbished garden beds out the front. So if you haven't driven past our school, make sure you do! Our roses smell divine and look spectacular. Our centre area, which has had a great makeover is starting to come together and the lovely native frangipani's look outstanding on the grey wall. The students are enjoying the new brightly coloured seating too. Our school environment is looking great and the students are surrounded by beautiful gardens, have room to play on the green oval and can access play and sports equipment. Our students certainly enjoy their recess and lunchtimes.

Kindergarten Enrolments Due Now!

We need your information NOW so we can invite you and your child to our Transition Program!

School Photos Postponed

Our photographer contacted us in the last week of Term 3 to advise the change of date for our photos. New date is 12th November. If you require a new polo for this day, please contact Belinda Gorey, Uniform Shop Coordinator.

Visual Art Workshops

This year our community connected project is an Art Exhibition at the Moulamein Art Gallery. Students have produced artworks throughout the year in class and at special art workshops. A collection of work will be selected to display at the gallery and remain on display for a few weeks. During the last week of school we divided our Year 3-6 students into three groups and students participated in 3D workshops. My group experimented with clay and papier mache`. Miss Midson's group made gorgeous standing birds. A big thank you to Mrs Kathy Gibson for holding a glass art workshop for selected students at her studio and to Michelle Buckley for volunteering. We had extra helpers, Amy Wilson and Hope Fitzpatrick who came along and also provided support on these days. Thank you to Hooker, Colleen and Brett for cooking our sausage sizzle and supporting our day in a variety of ways and of course the P & C for sponsoring our free sausage sizzle.

On the last day K-2 participated in a workshop with me, focusing on painting and using colour and patterns. Thank you to Shannon Buckley for her help! It was a great day and students produced some amazing large scale multi-layered sunflower paintings and painted prehistoric dinosaurs. The students were so proud of their efforts and results (so were Shannon and I). I loved how different they all are and the colours they used.
