## Kindergarten and High School Transition

We have our **Kindergarten transition** to look forward to this term and we are looking forward to running some great days for the students. The preschool will be involved in these days. If there are any parents in our town who have not enrolled their students into school for 2020, please remind them to do so. Numbers impact our budget, funding, teaching jobs and organisation. It is important that we have enrolments now!

At the same time of transitioning students to Moulamein Public School, we will be starting to transition students to high school from Year 6. This year, extra transition days have been arranged for student attending Swan Hill College for our students. We will let individual parents know of the coming dates. It is important that all notes and enrolment information is handed to the appropriate high school on time.

### Sovereign Hill

Last term, we finished off with two great excursions. Year 4-6 travelled to Ballarat for three days. Starting at the Gold Museum, then visiting and experiencing Sovereign Hill (a definite highlight) and then stopping at the Ballarat Regional Art Gallery was an amazing learning experience for all students. The students loved panning for gold, visiting the underground mine, learning about earlier settlers and the struggles on the goldfields. They learnt more about the Eureka Stockade and how the Chinese were subject to racism and discrimination. The Aura light and sound show was amazing and students travelled under the night sky to re-live the rebellion and delve into the dreamtime. They really enjoyed the 3D film about how gold was formed and why it is on planet Earth. The staff did love winning the ten pin bowling at night in each lane and Jennifer also took home victory against a tough crowd. The boys were a little disappointed, due to their competitive nature! Thanks to Miss Schupfer and Miss Munro for attending the excursion with me and for working all those extra hours to give our students a great opportunity. Taking students away is a huge effort by staff and thank you to Colleen for helping to organise such a fantastic excursion for our students.

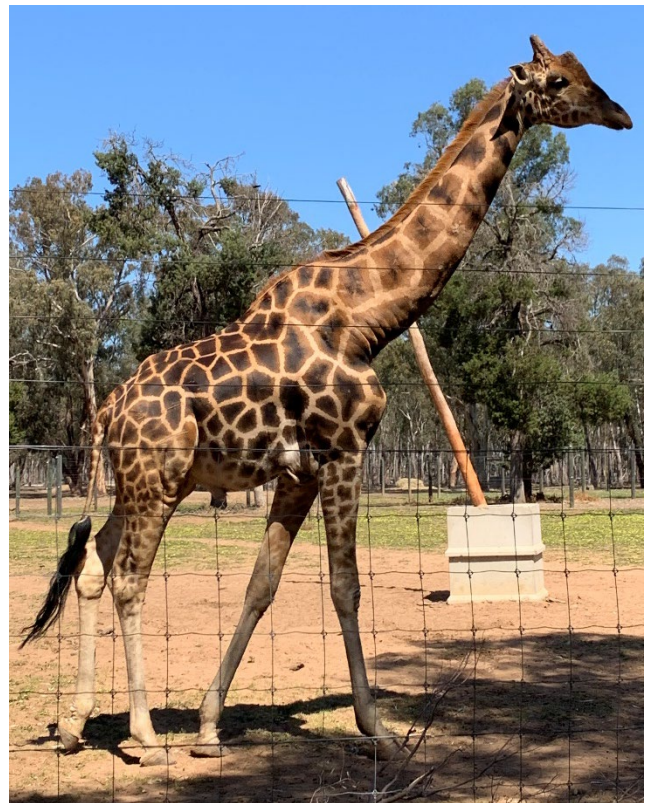

## Altina Wildlife Park

Kindergarten and Year 1 also enjoyed an excursion to Altina Wildlife Park. They had a fabulous day and really enjoyed the experience. This term, they will be completing writing activities about their experience and reflect on what they learnt about animals at the park. Thank you to Michelle, Miss Midson and Mrs Mertz for taking our students on this adventure!
