- Swimming Carnival
- K/1 Class

Upcoming Events

- 12th February- Principal Meeting Deniliquin- Mrs Wilson
- 12th February- P & C AGM
- 14th February School Assembly
- 18th February Swimming Carnival for competitors only in Swan Hill

Principal's Messages

All students have settled into class well and enjoying the company of new staff, new students and new families. We are already in Week 3, due to our school being part of the Western district and having an extra week of holidays.

Find us on Facebook!

This week, as you may already be aware, we launched Facebook page. Our aim is to use this page as a tool of communication. We can instantly post messages about events, share P & C news, add reminders, update parents on excursions etc. This is an open page and all parents have been issued with a permission slip for their child to appear or not. Students without permission will be pixelated and edited out of photos. We will rarely use names and the Department of Education monitor our page. Our Code of Conduct has been placed at the top of the page and it is important that all users abide by our rules for this page to be successful. We are really looking forward to sharing information through our new page. Our 150th page will soon close. All members of the public are welcome to like our new page.

Moulamein Public School is dedicated to providing an engaging and innovative learning environment that encourages each child to excel and thrive.

Develop a

New Assembly Time & Day

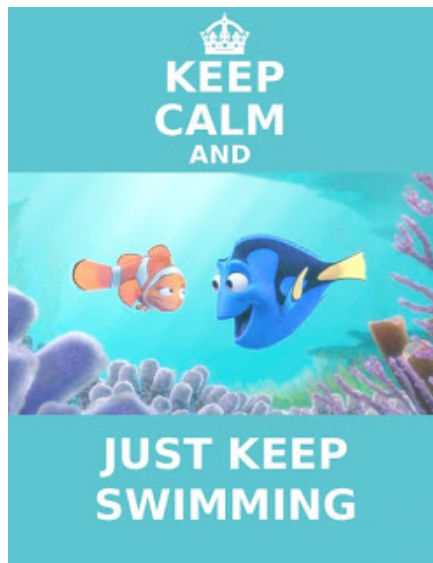

We have decided to change our School Assembly day to **Thursday** due to organisational matters. The assembly will start at 2.30 and conclude at 3.00pm. All parents, family members and community members are welcome to attend. At times we may start earlier, but parents will be notified on these occasions. Merit awards will be awarded to deserving students and classes will share their work with the audience. We ask that non-school children who attend our assembly with families to remain under the care of their parents and not sit with the students. Thank you for your assistance in this matter.

Assembly: Week 3 and Week 8 each Term (so this week).

Missing- Watering Equipment!

During the holidays, hoses and sprinklers were unfortunately stolen. This included large, heavy duty commercial hoses and a number of new quality sprinklers that we used on a daily basis. We do leave them out and set up, due to the high usage. As you aware we take great pride in our school grounds and it has been an unfortunate event. If everyone could keep an eye out for us, in regards to people on school grounds after hours, it would be greatly appreciated. With what was stolen, the thief would have needed a ute or a trailer to carry such large hoses and watering equipment.

Swimming Carnival

Due to the closure of the Swimming pool in Moulamein, we are asking competitors to attend a carnival at 9.45am at Swan Hill Outdoor Pool. Parents are also asked to provide transport to the pool, but we will provide transport for students who are unable to attend with parents. Students who are not swimming must attend school, as a teacher will remain to provide lessons for students. Notes have been sent home, so make sure that they are returned asap. There will not be novelty events for K-2 this year. During the day we will also need parents to help with timekeeping.

The set date is: 18th February.

Water Day- Last Day of 2018!

As you can imagine, the last day of school was a BLAST! We held a fun water day with students rotating around water related activities. From sponge volley ball, to sprinkle soccer and water slides, students all had a fantastic time and celebrated the year that had been. Our Year 6 leaders helped with running the day and Brett and I got there early to set up these fun activities for the students. Just before the day I purchased two new waterproof cameras for the students to use and we put them to good use. Here are some photos of this fun day:

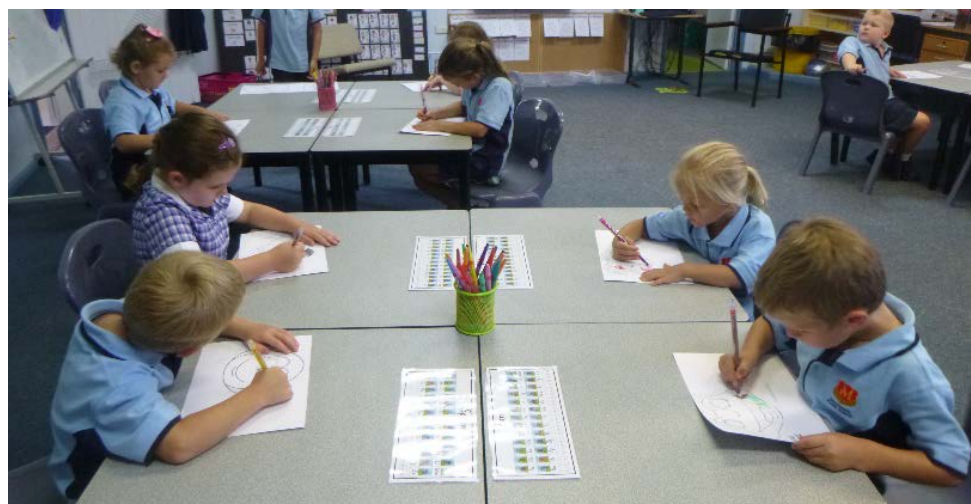

K/1 Classroom News – Miss Midson

We would like to welcome our 2019 Kindergarten students and their families to Moulamein Public School. We always enjoy the fresh faces and different little personalities our Kindergarten students bring to our school. As they are settling into classroom routine, they are having fun, learning and making new friends. We look forward to watching these little people grow and learn throughout the year!

During their first day, Mrs Mertz read *Monkey Puzzle* by Julia Donaldson to the K/1 students. The students then spent time creating colourful animal masks to match characters within the story. After a quick practice, Kindergarten and Year 1 performed the story to Miss Schupfer, Miss Munro and the 2/3 students as well as Colleen and Mrs Wilson. We were very proud of their performance!

Spencer, Charlie, Willow and Harry colouring their masks.

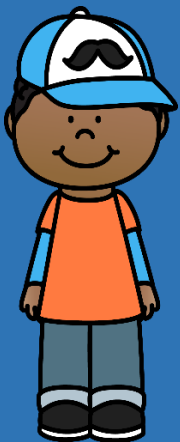

Harper, Charlie, Mila and Aleisha acting out the story. Charlie and Harper created colourful elephant masks.

Mila, Aleisha, Colton and Spencer acting out the story.

K/1 bowing to their audience with proud smiles.

During our first few days Kindergarten and Year 1 students have enjoyed mathematical games, building and completing puzzles together.

Peter, Brody and Colton playing building cars and houses together.

Remi, Harper, Harry and Nate completed two giant puzzles. Nate and Harper adore helping our younger students.

Harry, Mila, Harper and Willow enjoying piecing together a giant puzzle. Darcy enjoying Lego.

Remi and Ebony creating objects with magnetic shapes.
