## Principal's Messages

This weekend we have our School Garage Sale with various items that we no longer require at the school. We will have a number of items for sale at bargain prices which include: desks, tables, bookcases, cupboards, kitchen goods, stools, chairs, outdoor picnic benches and much more. We will open the sale at 9.00 and it will conclude at 12.30pm. No early buyers. People must collect their goods on the day and pay for the items. All proceeds will go towards updating our library. So don't forget to vote and find a bargain at our sale in one go! We appreciate your support!

We have had a great start to the week with our Mother's Day High Tea. It was a fantastic morning and we were pleased so many special women attended our school. Thank you for making the time to visit our school and we had around 80 visitors.

I would like to thank our dedicated teachers and staff who cooked on the weekend a great range of food for the morning tea. Students also had the chance to cook with their teachers too. Year 6 made fresh scones and caramel tarts for the morning with our newly installed ovens and Miss Schupfer made my favourite rocky road slice with her students. Mrs Mertz's chicken sandwiches are always a hit and it was hard to keep one of parents from stealing the lot! No names RG, just initials! Miss Midson's jelly slice always has the kids fascinated and Colleen has a secret choc-chip slice recipe that we all love. Mr Svensen made yummy muffins. However, most teachers made more than that because they wanted the morning to be special.

Miss Midson and Miss Schupfer set up a photo booth and did a great job decorating. The morning tea was a team effort! We hope our mum's and guests all felt spoilt and we were lucky enough to have a beautiful sunny morning for this celebration.

*Moulamein Public School is dedicated to providing an engaging and innovative learning environment that encourages each child to excel and thrive.*

## Assembly Time & Day

Our School Assembly will be held this week in Week 3. The assembly will start at 2.30 and conclude at 3.00pm. Parents have already been notified by text to let them know if their child is receiving an award. All parents, family members and community members are welcome to attend. Merit awards will be awarded to deserving students and classes will share their work with the audience. We ask that non-school children who attend our assembly with families to remain under the care of their parents and not sit with the students. Thank you for your assistance in this matter.

**Assembly: Week 3 and Week 8 each Term**

## K/1 Classroom News – Miss Midson

In Mathematics, Kindergarten and Year 1 have been learning about two-dimensional shapes. Students were learning to identify a range of shapes according to their edges and corners. They particularly enjoyed an activity where they worked cooperatively together to create different shapes using their bodies.

Nate, Mila, Ebony, Darcy, Peter and Brody worked together to make a fantastic rectangle using their bodies.

Remi, Aleisha, Colton and Harry successfully made a square.

Harper, Willow and Spencer giggled while making a triangle.
