Principal's Messages

These last two weeks have been really busy at Moulamein Public School. I would personally like to thank Mrs Kathy Gisbon, Miss Eryn Midson, and Miss Rachel Schupfer (who filled in for me at the last minute due to illness) and escorted our Year 6 students to Melbourne for an excursion. Students visited the Melbourne Goal and stayed the night to see the stage show, 'Charlie and the Chocolate Factory'. This excursion was funded 100% by the school and I would also like to thank Colleen Wilson for organising the administration side of things, booking tickets, organising train fares and arranging accommodation. This certainly has been a team effort and our staff are very dedicated to providing life-long memories for our students. See overleaf for some great photos!

This week, I will also be in Sydney for a special Department of Education event and then meet our students in Albury for carnival. I will let you know the details of that event next week.

Regional Athletics Carnival Representatives

Congratulations to our Regional Athletics Team who are off the Albury on Friday. Mrs Wilson will meet you at the Les O'Brien Athletic Precinct, North Street, Albury at 8.00 sharp. Students will be travelling with their parents to the event. Not all district carnival places qualify for regional events. We wish our students the best of luck and know the competition at this level will be tough. It is always a great experience for competitors and a celebration of their success so far!

News from Mrs Mertz and K/1

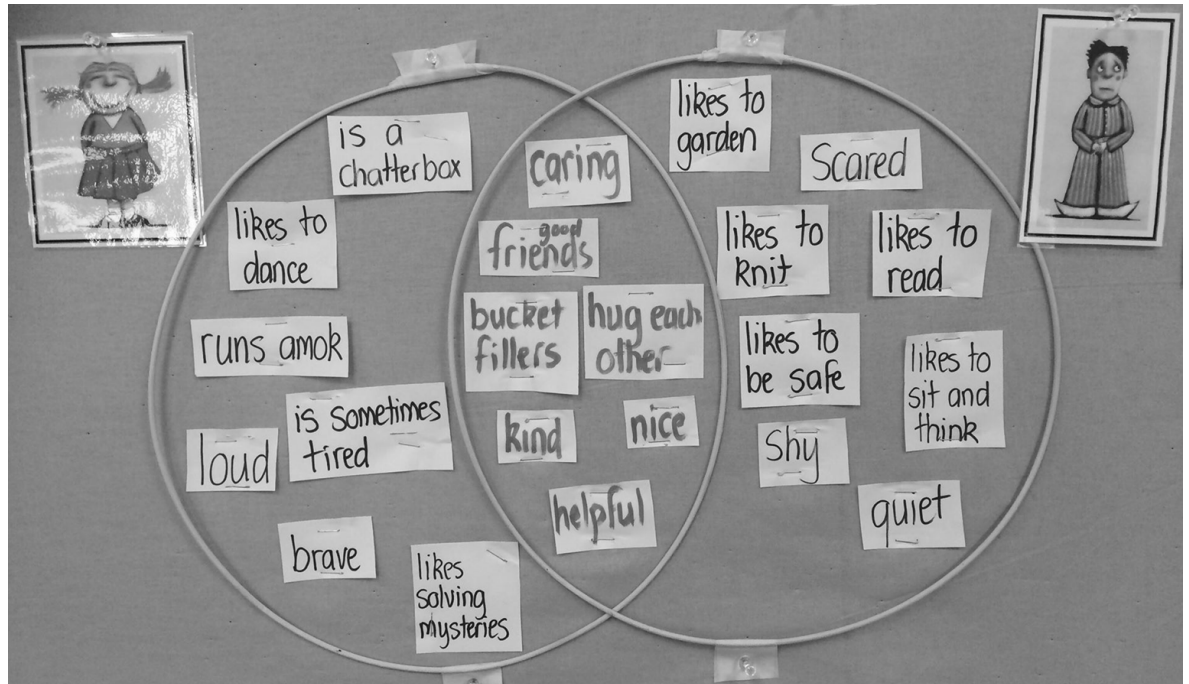

This Term, Kinder and Year 1 are looking at the theme of Friendship and Belonging. We have already read a number of ***Pig the Pug*** books by Aaron Blabey, which have taught us what friends should **NOT DO!**

Now we are focusing on what makes someone a great friend by reading ***Pearl Barley and Charlie Parsley*** (also by Aaron Blabey). We have learnt that despite being 'different in every way', and enjoying things that are opposite, Pearl Barley and Charlie Parsley are still really great friends.

We have discussed and displayed the character traits of Pearl and Charlie in a Venn Diagram:

We have discussed and written about what we like to do:

Road Safety for drop off and collecting children from school

Always drop-off and pick-up your children from our school's designated areas, following our school's Road Safety procedures with care and courtesy.

These procedures include:

- ~ **always using the designated School Crossing** to move from one side of the road to the other and on drop off and pick up.
- ~ waiting outside the school gate in Brougham Street to collect students as they are dismissed by the duty teacher. Do not call students out of the gate or across the road. Please use the school crossing to move to your vehicle on the other side of the road.
- ~ waiting outside the school boundary fence in the bus area, if unexpectedly collecting a bus traveler. Students will only be dismissed to you once the buses have moved away. Please do not walk students between or around buses.

Sports News from Mr Svenssek

On Friday the 16th of August I had the pleasure of accompanying those students who qualified for District Athletics, at Tooleybuc Central School. We had a fantastic day with all students representing our school with pride and excellent sportsmanship. I was proud of the effort and resilience each of our students showed throughout the day in all of their events. Congratulations to Meg, Allira, Mia, Jennifer, Rhys, Max, Ryleigh, Colby, Jacob and Tarlia for making it to Riverina, this Friday in Albury. Good luck boys and girls I am sure you will represent Moulamein Public School with pride!
