## Principal's Messages

### Carols on the Green – Tonight!

Tonight is our Carols on the Green at 7.30pm. Students have been learning Christmas Carols and will lead our families in a singing festival. The Moulamein Churches will also join in leading our carols. This is a social occasion for our community and Moulamein families. We welcome all parents and citizens. During the evening, we will ask parents to sing along (we will supply the song words) and join in the festivities. Santa is visiting and we will be organizing fun games for families after the singing. We expect the evening to conclude at 8.45pm, with gates closing at 9.00pm. The canteen will not be operating. This is a social event and after the singing, families can chat until close. Students, parents and visitors are asked to wear Christmas themed clothes. No alcohol please (by law). Please bring food, picnic rug, chairs and your best singing voice! A big thank you to all staff at Moulamein Public School for their support and Rebecca Gray for always going along with my crazy ideas and supporting this lovely community event. I know she was here on the weekend painting items for our decorations. They always say, if you want a job done right, ask a busy person! So true!

## Year 6 Graduation Dinner

We are looking forward to the Year 6 Graduation dinner in week 10. Year 5 students are invited to attend to help celebrate, but this is not for Year 5 parents. Only Year 6 parents, family and close friends can attend the dinner. Students are able to wear their party outfits and do not need to wear school uniform. This is a celebration of their learning journey through primary school and it will be a fun night! Everyone loves a little bit of music and dancing too! Please ensure that guests arrive on time and this is a non-alcoholic event, even though we are at the club. No alcohol can be assumed at school events, due to Department of Education Policy.

## Crazy Camel

Thank you to those parents who ordered Crazy Camel items. They have arrived this week and some of the artworks look amazing in their new state. Thank you to Colleen for ordering them and the staff for ensuring our students had lovely artwork to be printed. K-6 students did a great job!

## Cards for Wildlife Workers

Our school students made thank you cards for the wildlife workers looking after injured animals in our current bushfires. Our volunteer animal rescuers were so touched by the lovely cards the students produced and sent they said it just made their day. Appreciating our volunteers across Australia is important and our students were very concerned about our native animals.

## News from Miss Schupfer

It's hard to believe the year is coming to an end! 2/3 have had a fantastic year full of learning and fun! They have been an absolute pleasure to teach and have provided me with many laughs and great memories over the year. I'm very proud of their progress and have really enjoyed planning engaging activities in and outside of school to engage the students in their learning. The student's favourite memories from 2019 include our visit to Echuca, participating in gymnastics, learning to code robots and playing dodgeball. We are all looking forward to the break and are excited for the new year! Thank you for a great year! Have a happy and safe holiday!
