

Community/ Student Weekly Art Challenge

Eucalyptus- leaves, blossoms,
trees

Due 17th October

TASK: Using the stimulus attached or your own inspiration, you are to draw or paint, make, sew, create an artwork based on our beautiful eucalypt trees. There are many flowering at the moment.

Stimulus material ranges in difficulty to cater for everyone. Students can use their sketch book or any art materials they have at home. You could use coloured pencils, charcoal, graphite, oil pastels, acrylic paint, textas, pens...anything!

Once completed, take a photo and email it with your name to jennie.wilson@det.nsw.edu.au (monitored every day) or the school mobile 0428313580 (although I cannot access this everyday due to working offsite some days). I add things to our Facebook page during the week to help you with ideas and stimulate artistic thinking.

Your photos will be added to a virtual gallery each week. You may even want to complete more than one artwork! We thank you for being part of this project.

A great website to find inspiration is Kings Park and Botanic Garden Facebook page: <https://www.facebook.com/KingsPark.WA>
