

Community/ Student Weekly Art Challenge

Sun and Moon Challenge

Due 7th October

TASK: Using the stimulus attached or your own inspiration, you are to draw or paint, make, sew, create an artwork based on the sun and/or the moon. Maybe you would like to do a lunarscape or night sky? Maybe you would like to create an artwork on a sunrise or sunset? There are beautiful ancient drawings based on the sun and moon too.

Stimulus material ranges in difficulty to cater for everyone. Students can use their sketch book or any art materials they have at home. You could use coloured pencils, charcoal, graphite, oil pastels, acrylic paint, textas, pens...anything!

Once completed, take a photo and email it with your name to jennie.wilson@det.nsw.edu.au (monitored every day) or the school mobile 0428313580 (although I cannot access this everyday due to working offsite some days). I add things to our Facebook page during the week to help you with ideas and stimulate artistic thinking.

Your photos will be added to a virtual gallery each week. You may even want to complete more than one artwork! We thank you for being part of this project.

Have fun!

Jennie
