In this Issue:

- ♦ Filipino Feast
- ♦ Floods & school
- ♦ Snowy Owl artworks
- ♦ Sleigh Raffle

2022 Term 4 Week 5

Principal Message

Filipino Night

A huge thank you to our Filipino families and friends who have been so generous in inviting our community to the Filipino Feast and karaoke night, last Saturday night!

The P &C and school are so grateful for this wonderful event! It was great to see this so well supported by the entire community and the food was absolutely delicious! We have some really positive feedback and we thank our community for honouring their bookings and turning up for the great night. Our Filipino families did the most amazing job and I know many hours of hard work went into preparing for the night. Food, cooking, time were donated to help this night take place.

I would particularly like to thank Margie Daleon and Simone Treloar for their organisation and effort on the night. Also to Rosalind Main for opening the bar for the night for parents and the Football club for allowing us to use the complex.

There were so many funny moments! The kids really enjoyed the karaoke, as well as the adults. It was good to see so many people up dancing the night away after the feast.

Again, THANK YOU Moulamein community for supporting our school fundraiser. We made around \$2000 in profit, but more importantly had a lovely inclusive event!

Presentation Day – save the Date!

Our Presentation day will be held at school on the 16th of December. It will be in the morning and the time is to be confirmed. If it appears that it will rain, we will make changes around the time. More details to come.

Floods and School

Our school will remain open until the SES Chief Commander or other authorities deem it unsafe due to rising flood waters. At the moment, it is business as usual, but we have had to close certain parts of the playground due to the rain. Our school has an evacuation plan to ensure the safety of all students and staff. We do have a lot of mosquitoes present and we would encourage parents to apply repellent before they leave for school. When the mosquitoes are swarming, students are playing inside at recess and lunch. For any families who are living near floodwaters, and it is too unsafe to travel to school, please call us because they can access flexible learning from home instead. Your safety is paramount!

News from Year 3/4

On Wednesday afternoon, Year 3/4 were lucky enough to participate in a cooking class with Mrs Mertz. We were excited to find out that we would be making mini cupcakes. Working in teams of four or five, we measured, stirred, and sifted our ingredients. We made a dry and a wet mixture and combined them to become a delicious gooey cake batter. Mrs Mertz and Miss Wilson were thrilled to see many of us testing out hand beaters for the first time. After the enjoyment of making the mini cupcakes, the real excitement was the delicious aroma wafting from the ovens as we waited hungrily for our baking to be ready. We made quick work of the clean up by all pitching in with the drying up, wiping down of benches and packing away the equipment.

It was fabulous to see Year 3/4 working together to make a meal they could share with each other and their families. It is obvious that our class is jam packed with enthusiastic cooks and cleaners.

K/1 created some beautiful owl artworks with Mrs Wilson last week, the students are very pleased with how they turned out. They even have a special hanging place in our front office.
