- ♦ Canteen
- ♦ Reading Awards
- ♦ Visual Arts
- ♦ Dance Workshop

2023 Term 2 Week 7

Principal Message

This term is flying and it is already Week 7! Just a reminder that this weekend is the long weekend, so students will return on Tuesday next week, not Monday.

Academic Reports

Teachers are busy writing reports and in Week 3 next term, we will hold parent/teacher interviews. There has been a change in the report requirements from the Department of Education, now that we can continue a normal learning program after the interruptions through floods and COVID-19.

Each student report will include:

- student attendance
- whole school activities
- student's social development and commitment to learning
- explanation of the grade scale used
- a report for each key learning area, subject or course, each requiring
- the outcomes assessed
- A-E grades (Year 1-6)
- 3 grade system (Kindergarten)
- key learning area, subject or course-specific comment.

New report formatting does not include a general comment now. We will continue to print reports at this stage, but the department are moving towards giving parents only a digital copy in the near future.

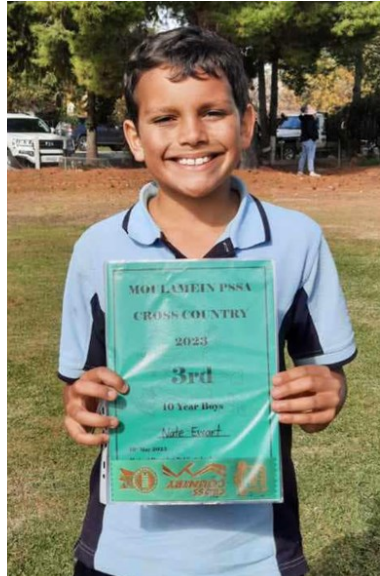

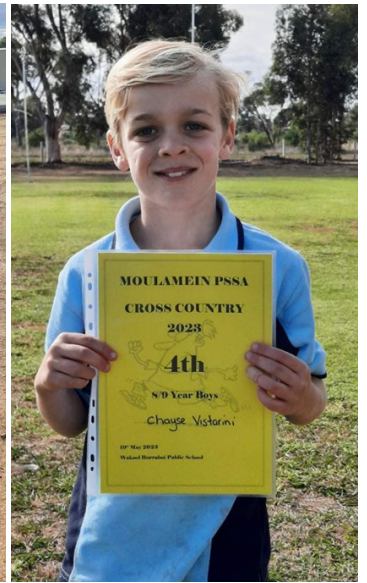

Our new reports contain more information about the topics and subject content than in previous years.

All comments will address a future direction and area of improvement for students achieving above the expected level.

District Cross Country

Congratulations to all our students who attended the District Cross Country at Wakool-Burraboi and for Miss Wilson and Brett Wilson who helped on the day. We were really proud of our students behaviour and efforts. A great effort by:

- Mila Gray - 1st in 11yr girls
- Ebony Patten - 3rd in 10yr girls
- Nate Ewart - 3rd in 10yr boys
- Chayse Vistarni - 4th in 8/9yr boys

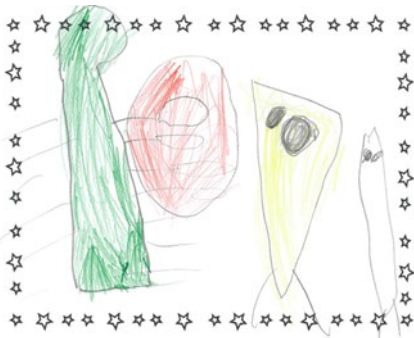

Possum Magic Performance

Students in Kinder, Year 1 and Year 2 travelled to Swan Hill a few weeks ago to watch a performance of *Possum Magic* at the Town Hall. The play complimented our study of Australian Animals this term and was a great experience for students.

Here is what students in the Kinder and Year 1 class had to say about the performance:

Possum Magic Performance

I liked that
there was magic

Ayla

Possum Magic Performance

I liked when
it was Hush's
birth day at
the end
Aud

Possum Magic Performance

I liked the magic
in the show.

BENTLEY

Possum Magic Performance

I liked when
the pages in
the book moved.

Flora

Possum Magic Performance

I liked when the
book glowed.

Alex

Possum Magic Performance

I liked when
Grandma pos and Hush
danced.

Francesca

Possum Magic Performance

I liked Hush when
she was invisible.

Emo

Possum Magic Performance

I liked when
Hush went
invisible.

Hydson

Possum Magic Performance

I liked all
of it.

DUSTY

Possum Magic Performance

I liked the
share.
de kolo.

Possum Magic Performance

I liked Hush
because she
turned invisible.
Tanner

Possum Magic Performance

I liked when
Grandma pos
said 'run' to
Hush.
Mercid

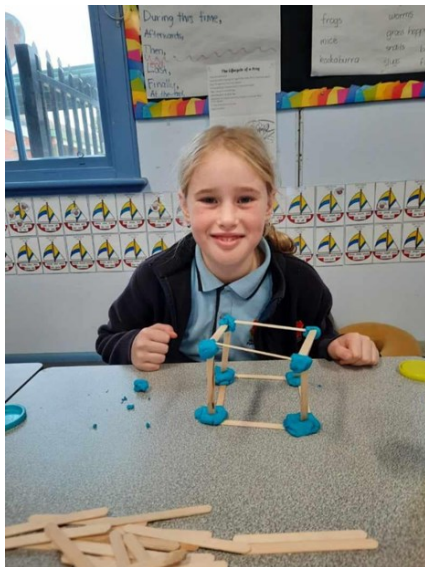

Possum Magic Performance

I liked when the
vegemite sandwich
was going up and
down.
Lani

Mathematics fun in Year 1/2 with Miss Wilson!

Canteen

Thank you to the volunteers who continually turn up each week and find the time to help our canteen run successfully. The students have really enjoyed having canteen operating again and were very excited to have a special canteen on offer. Thank you to Courtney for organising this!

MOULAMEIN PUBLIC SCHOOL P&C 2023 TERM 2 CANTEN MENU

- Juice: apple OR apple & black currant
- Flavoured milk: 250ml chocolate or strawberry

- 50c
- \$1.50
- \$1.00
- \$1.50
- \$2.00

Our school breeding bird boxes have a mystery inhabitant or a possum with an identity crisis who cannot read that this box is for our local parrots!

Congratulations to our students who continue reading at home each night! We love handing out certificates for Home reading. Here is a phot of just a few of our reading stars!

Visual Arts

Students in Years 3-6 are enjoying learning to draw insects from different views and rendering them with patterns and designs. It is great to see some many students using their own ideas around one theme and learning to draw with underlapping and overlapping. Some students in Year 5-6 also worked on creating a texture background, while Year 3-4 focused on shape and proportion.

Dance Workshop

A few weeks ago students across the school attended a Hip-Hop dance workshop with Justin Seidel from the Freestyle Dance Ministry. All students thoroughly enjoyed the funky dance moves and the instructor, Justin was fantastic! I think a few teachers enjoyed the workshop just as much. The students were so engaged and this is just another example of our students accessing quality education and learning opportunities at our little school. We have re-booked Justin for next year for further workshops!
