2023 Term 3 Week 6

Principal Message

This term seems to be flying! It is already Week 6 and we are over half way through the term. I would like to congratulate Nate, Mila and Ebony for qualifying for the regional Athletics carnival. We wish these students the best of luck in the big competitive city of Albury!

We have a number of things coming up on the calendar:

- Book Week Parade & Morning Tea - this Friday 10.30 (a note went home about this)
- Year 6 transition to High school- various dates
- School participation in the Swan Hill Art Festival - 2nd September
- Father's Day breakfast- date and details to be confirmed (a note will go out this week with details of the breakfast and the P & C will be running a Father's Day stall)
- Special Canteen - 8th September
- Technology Workshops 5th - 7th September (we have visiting trainers coming to the school to run specialised workshops for the students)
- Google classroom training for staff
- Swimming teacher training for some staff

News from Miss Hogan

Our Kinder/1 class have been working hard in Term 3 and it has been wonderful to see them building confidence with their reading and writing skills. Each week they have guided reading and writing sessions where they work in small groups (or even 1:1) with Mrs Mertz and Miss Hogan to focus on their individual needs. We are so lucky to have small classes that enable teachers to cater to each child's development and needs.

As part of our literacy program students are also engaged in Quality Literature Studies each week, where they focus on a specific book for a few weeks. So far this term they have enjoyed the lovely books Bilby Moon, by Margaret Spurling, and Davy and the Duckling, written by Margaret Wilde. Every week the students look forward to Reading Buddies with Mrs Wheeler and the 4/5/6 class. This term they are joining Kinder/1 in their Wednesday Library session to not only read from our wonderful collection of amazing books in the library, and to assist with selecting books, but they are also helping with their Quality Literature studies. Last week Kinder/1 students were supported to sequence the main events in Davy and the Duckling, identifying and drawing what happened at the beginning, middle and end. Keep up the great work everyone.

Technology with Mrs Wheeler

This term as part of the Digital Classroom Officer role, Mrs Wheeler is working with each class, teaching technology skills. Students are learning how to log into their student portals, access collaborative programs including Google Classroom and create slideshows to demonstrate their learning.

K/1

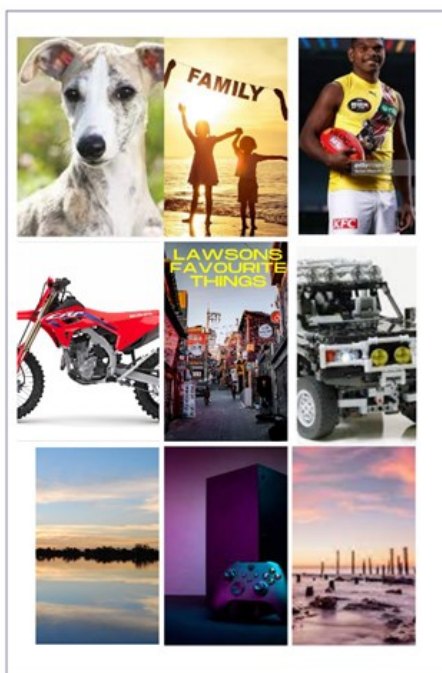

Students can login to their portals, comment in Google Classroom and are creating a slideshow on Seasons.

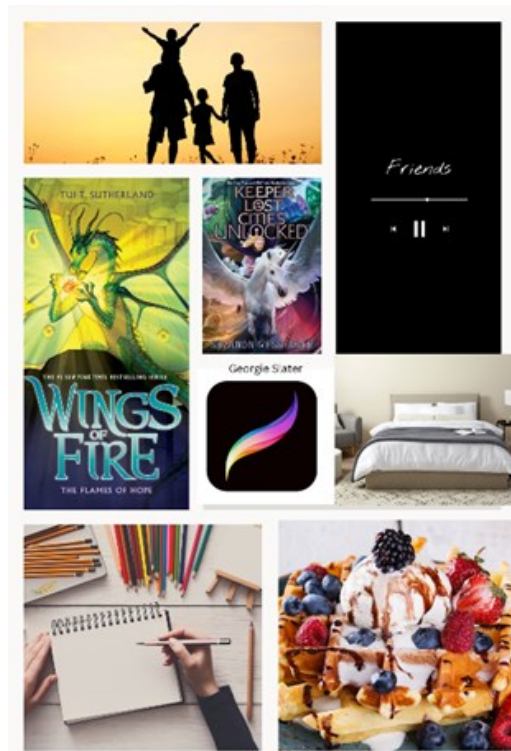

Year 4/5/6

Students are experimenting with Canva, making a poster of their favourite things. They will be creating more products using Canva during the term.

Noahs favourite things

Year 1/2

Students are creating a slideshow about day and night changes. They have logged into their portals and comment in Google Classroom.

Year 3/4

Students access email through their portal. They are learning about the components of an email and will be sending emails to various people. They will be creating a slideshow to showcase their favourite authors.
