2024 Term 1 Week 8

Relieving Principals Message - Jacinta Wheeler

Week 8 already! This term has flown by...

As some of you will already be aware, Nyree Taylor will be starting at Moulamein Public School as permanent Principal beginning Term 2 2024. Nyree comes to Moulamein PS with over 20 years experience. I would like to thank you all for the support and encouragement I have received since filling the relieving Principal role. I have learned so much and have enjoyed leading the wonderful staff and students here. I am looking forward to returning to the classroom in Term 2.

Cross Country

Cross country training is continuing with each class group given a minimum number of laps for students to complete. Students are challenging themselves to beat this lap score! Please remember to send your child in appropriate footwear for running. If you are available to man a checkpoint on the day, please let the office know as many hands make light work. P&C are also looking for volunteers to help with the BBQ on the day as well. Date: 10 April 2024

NAPLAN

The majority of students have completed their NAPLAN testing. I would like to congratulate the resilience that students showed while completing these tests. While the tests are aimed at stage outcomes, it can be overwhelming for some students. Results will be sent home in Term 2 with students.

Easter Hat

Easter is almost upon us. This week students are creating their Easter hat masterpieces ready for next Thursday 28th April at 10am. We are looking forward to seeing our Preschoolers parading their hats as well. We are also looking forward to visitors from Edward River Gardens Aged Care Facility joining us.

Harmony Day

Harmony Day is Thursday 21st March. Each class will be completing activities related to this event in their classrooms on Thursday.

Volunteers will be given a seat at their checkpoint.
