Relieving Principals Message - Jacinta Wheeler

Remembrance Day

We were proud to recommence our Remembrance Day Ceremony this year. We invited residents from Edward River Gardens to join us. *Significance of Remembrance Day:* Originally known as Armistice Day, Remembrance Day marks the signing of the peace agreement between Germany and the Allies that ended the Great War of 1914 -1918. The Second World War began just 21 years later. Almost one million Australians served during that conflict, which lasted close to six years. Armistice Day was then renamed Remembrance Day.

We here at MPS remember and honours all Australians who have served

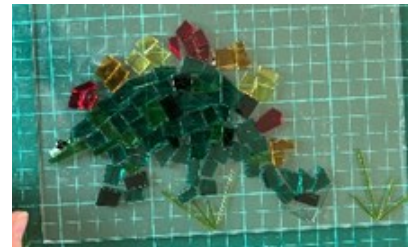

Kinder Transition

We welcomed our 2025 Kindergarten students back to MPS yesterday. It was the first of three full day transitions to be ready for 'big' school.
