Principals Message - Judy McGuiness

As we approach the upcoming school holidays, the staff at Moulamein Public School would like to take this opportunity to extend our warmest wishes to all students, families, and community members. We hope that the Easter holiday brings you a time of rest, reflection and joy.

We appreciate your continued support and partnership in fostering a positive learning environment for our students. Thank you, and we look forward to welcoming everyone back after the holidays, refreshed and ready for the exciting opportunities that lay ahead.

Triva Night Wrap-up

I would like to extend a big thank you to our P&C for organising the Trivia Night last Saturday night. The event was a success, filled with an atmosphere of enjoyment and laughter.

Thank you to everyone who participated and contributed to making this event memorable. Your support of our amazing small school is greatly appreciated.

We look forward to many more enjoyable gatherings in the future.

Zone Cross Country

Congratulations to the students listed, who have been selected to represent our school at the Zone Cross Country Carnival on 9th May in Wakool. Your hard work and dedication have not gone unnoticed, and we are extremely proud of your achievement.

Netball Trials

Last Friday, Lacey, Almay, Willow, Emma, Hannah and Karmilah competed in the Moulamein PSSA Netball Trials at Balranald. A big shout out to Almay for being selected to represent Moulamein PS at the Primary Netball West Trials, being held on 1st May 2025 at Naranderra.

Anzac Day – Friday, 25th April

With Anzac Day falling within the school holidays, we are planning for our students to participate in the march. Please contact the school office **ASAP** to confirm if your child/ren will be marching on the day. This will allow us to allocate student jobs such as carrying the flag and laying our school wreath.

YEAR 3/4 NEWSLETTER

Well, this term has flown by! Year 3 / 4 has had an exceptional start to the term, and we have settled into our classroom routines and expectations. We have been exploring narrative structures and features, with some great writing samples produced throughout the term. Along with this, we have been working hard with spelling and reading this term.

In Numeracy we have been developing our whole number skills through number talks, along with our addition and subtraction abilities. We have also been working with measurement, where we measured items in the classroom.

In Science, we have looked at materials and their properties and conducted an experiment to see which material would be the best to create a ball from. We have also learned about the importance of environments, learning about how rainforests help us, and how we can help it.

It's been a busy and engaging start, and I am extremely proud of the kids for settling in so well. I'm not sure where this came from, but their determination to march in unison in lines has become a constant sight around the school after break times. We have had lots of interesting conversations as a class, and there are lots of curious minds in here.

Homework will be starting next term, along with home readers, so if you have any questions on this please contact me!

Keeping safe during the school holidays

School holidays are a time for children to take a break from their daily routines, and spend it with families and friends.

SCHOOL'S
OUT!

Parents and families play the most crucial role as a child's first teacher.

By the pre-teen years, many children are starting to become increasingly independent wanting to do more things without their parents and/or carers around.

Use the holidays as an opportunity to talk with and show your child how to be a safe pedestrian, rider and passenger. This **upskilling** will support them as their need for independence increases. Talk to your children about safe places to play. Highlight the risks and challenges in different neighbourhoods and traffic environment differences when on holidays.

Consider independent activities your child might do in the holiday period and how you can help to make it safer.

Messages to share with your children when they're out and about:

- they always tell you/an adult when and where they are going
- if feeling unsafe, tell someone and move to somewhere safer
- avoid playing near driveways and carparks as drivers may not see them
- check their bike's brakes, bell, reflectors and tyres are all working before going for a ride
- correctly wear a helmet when riding any device
- remove their headphones when near traffic so they can hear approaching vehicles
- stop, look, listen, think before they cross the road, and not just follow their friends
- wear bright clothing so drivers can see them, especially when it's twilight.

For further support go to the department's Road Safety Education program at education.nsw.gov.au/road-safety-education or visit the **families** section on safetytown.com.au

SAVE THE DATE!

MAGS Morning Tea (Mothers, Aunties, Grandmothers and Someone Special Morning Tea)

We will be holding our MAGS Morning Tea on Tuesday, 13th May, at 10 am. More information will be provided at the start of Term 2.
