## Principal Messages

We had an exciting week last week with the Moulamein Art Exhibition. Thank you to my staff for taking this journey and working hard from Term 1 up until now to put together a great exhibition for the students and community. Thank you to Sandy Peeters and the Moulamein Gallery committee for holding this exhibition so our students' work can be celebrated with the extended community and tourists who visit our town. It was great to see so many families, friends and students support this night. It was a huge job to hang and display our artworks, so thank you to Sandy and Kathy Gibson. Michelle Buckley volunteered her time to help with the framing too. Not all schools provide opportunities like this for their students and I am so proud that our staff go to extra effort to do this. It is so rewarding to see students with smiles on their faces and being so proud of their work. Art gives students confidence and self-assurance. Producing something that they are proud of really improves self-esteem. If they have confidence in art it will transfer to all other areas of the curriculum. A big thank you to all staff and parents who provided food for the night and worked in the kitchen. This night was a true team effort! Thank you to everyone involved. If you have not had the chance to see the exhibition, I recommend you take a stroll. Artworks will be on display until the 29<sup>th</sup> November.

## Kindergarten Transition

This term we will also be having three transitions mornings to introduce our 2019 Kindergarten students to our school from 9-11.30am. These transition dates are November 15<sup>th</sup>, 22<sup>nd</sup> and 29<sup>th</sup>.

Thank you to the parents who attended the Parent Information Night last night. It was great to meet some new families and we look forward to having you join the Moulamein Public School community.

Please spread the word to friends and relatives that don't receive the Wongi. We have also advertised on the Moulamein Public School 150<sup>th</sup> Anniversary Facebook page.
